Dear parent/guardian,

Cardross Primary School is looking forward to another great year of teaching and learning and would like to advise you of Cardross Primary School's voluntary financial contributions for 2022

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has always played an enabling role in the provision of resources that extend the school's capacity to add value to students' learning experience.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Vincent Madden

School Council President
