19th February, 2025

It has been so wonderful to see everyone settled into their classes, making some great choices and applying themselves to their learning. I hope to complete more classroom visits over the coming weeks and chat to more students about their learning.

School Council
We have only have two parents nominate for school council, this means no election is necessary. I am doing another call out to see if anyone else is interested in joining. We have 2 more parent vacancies and a community vacancy (which can be a parent) that still need to be filled. The commitment is attending two meetings a term to assist in the governance of our school. Such as overseeing policies, endorsing budgets and finance reports, making financial decisions for the school, such as voting for tender options.

Lunch orders
Just a reminder that lunch orders for Fridays need to come into school on Thursday, and if you are paying by card please do this at the shop on a Thursday as well. Next week (senior swim week) there will be no lunch orders for grade 4-6; the following week in junior swim week, there will be no lunch orders for grades P-3. This is due to us not having facilities to store the food properly and having different eating times for the swimmers.

Swimming program
A reminder to families that our annual swimming program begins next week.
Grade 4 - 6: Monday 24th Feb - Friday 28th February
Prep - Grade 3 : Monday 3rd March - Friday 7th March
During your child's swimming week please remember to send the following items each day:
- Bathers
- Towel
- Goggles
- Thongs / slides
- Bag for wet clothes
- Extra snacks (children get very hungry during this week)
- Drink bottle

Reminder
I have noticed a few students chewing gum, please note that we do not allow gum at the school.
