COMPASS School Manager

**7th May, 2025**

**Principal's desk**
Welcome back to Term 2! I hope everyone had a lovely break. It has been great chatting with students about what they got up to. I want to thank two of our school leaders—Monty and Dakota for presenting the wreath at the ANZAC day ceremony in Red Cliffs.

**Lunch boxes**
Staff are noticing a number of students coming to school with ring pull tins (such as tuna and spaghetti). Just as a safety precaution, if parents could put the contents of these tins in a container for their child, it is much appreciated. Please also note students are not permitted to have chewing gum at school.

**Uniforms**
A number of students are coming to school out of uniform. We have uniforms onsite to purchase. This can also be used with the School Saving bonus. If you are having financial difficulties, making it difficult to purchase uniforms, please come and chat to me.

**Centenary celebration**
Put into your calendars October 31st is our day to celebrate Cardross Primary School's 100 years. We have a small committee that is organsing how to celebrate this event. If there is anyone who is able to set up and run a Facebook page for this celebration, please let me know. I am not very savvy on Facebook and would really like a helping hand on this.

**Walk to school day**
Friday 16th May is walk to school day. Anyone who is interested can meet me at the Cardross reserve car park from 8:35am, and at 8:30am we will all walk to school together.

**Mother's Day Raffle**
Remember to get your mother's Day Raffle books and money back by Tuesday.
We have received a Voucher from "The Nail Therapist" Valued at $95.00.
We have some wonderful prizes up for grabs. Thank you so much to all our contributors.

**Policies**
School Council works hard to read policies and endorse them for our school. I have uploaded all updated policies on our school's website.

# LEARNING ABOUT OURSELVES IN PREP!

Recently in the Prep classroom, students have been exploring their personal identities using an 'identity box' with help from home, while also learning how to express their likes and interests. They've been investigating important topics like self-care, knowing who to turn to for support, and how to ask for help effectively. This learning has encouraged students to challenge themselves with adventurous goals and gain a deeper understanding of how people are unique. They'll continue to practice strategies to stay safe and healthy, both at home and in the classroom!
