From the Principal's desk

Welcome to our new look newsletter! If you have any feedback, I am keen to hear it, please send me an email at tegan.bell@education.vic.gov.au

We are now running breakfast club **EVERY DAY**! If you have time in the mornings, feel free to pop in and give a helping hand.

School arrival time

We have been noticing a number of students arriving to school very early. Please note, breakfast club is open from 8:30am, and the yard is supervised from 8:45am. If your child is arriving before these times, they are not supervised. Staff are busy in the mornings getting ready for class and need this time to ensure they are prepared for the day.

2026 enrolments open

If you know of anyone who has a student starting prep next year, please encourage them to contact the school so we can organize a tour of what we offer at Cardross. If you already have children at our school and have a child who is starting prep next year, we have sent home an enrolment for you.

Business Manager position

We will be advertising for a new business manager in the next couple of weeks. If you are interested, or knows anyone that is – please refer them to www.vic.gov.au/school-jobs

Crossing the road

Just a reminder to use the school crossing if needing to cross the road at drop off and pick up time. There have been inspectors at local schools, and we need to set a good (and safe) example to our students.

Character, citizenship, collaboration, communication, creativity and critical thinking

For Education Support Celebration Day on Wednesday each class created something special for the Education Support staff at Cardross. Education Support Celebration Day is a special time to recognise the incredible contributions of our education support staff that often go unnoticed. We would not be the amazing school that we are without the hard work that our ES put towards the school and our students. They help create a safe, organised, and welcoming environment for learning. We celebrate their dedication and the vital role they play in every student's success. Thank you for all that you do!
