From the Principal's desk

I have been lucky enough to have been popping into classrooms to see our students at work. It is great to see the effort they are putting in to achieving their best.

2026 enrolments

Just a reminder if you have a child starting school next year, please let us know so we can send out enrolment forms. Feel free to let extended family or friends know we are open to school tours at a time that suits each family if they have a child starting prep in 2026.

Classroom opening time change

Our classroom doors will be open from 8:45am for reading. Due to breakfast club running each day, this gives our students a chance to have something to eat before coming into class, as well as be ready for their learning at 9:00am.

Assessment and reporting

Our staff are busy at work administering a number of assessments to ensure accurate reporting in our students' end of semester reports. Students have (or will be) completing assessments in literacy and numeracy.

Student led conferences

On 27th June, we will be holding our student led conferences. Booking times will be set up on Compass in the coming week for you to select a time to meet with your child and their teacher. Your child will be talking about a literacy, numeracy and one other sample of work. It is a great time to celebrate their successes. I will send a Compass message to families once these are set up.
